Dear Madam/Sir,

Subject: Approval of Rs. 75,000 Research Grant for the Development of Drug Information Fields for Transcend Drug Information Database

Reference: Your Letter of Intent and Project Proposal dated 13/11/2018

I extend my warm greetings to you. In response to your comprehensive project proposal, it gives me great pleasure to inform you that our company has approved a research grant of Rs. 75,000 (Seventy five thousand) for the development of various fields within the proposed Transcend Drug Information Database.

The scope of the grant encompasses the provision of 2000 drug molecules initially, with each molecule priced at Rs. 100/-. The timeline set for the completion of the project is 45 days from the date of the release of funds. To facilitate the smooth progression of your research, an initial disbursement of 50% of the total budget will be made. The remaining 50% will be released upon the successful and final submission of the data to the institute.

We believe that your initiative holds great promise and aligns with our commitment to supporting advancements in the pharmaceutical field. The infusion of funds aims to catalyze the development of the Transcend Drug Information Database, contributing to the enhancement of drug information accessibility and knowledge dissemination.

In addition to the financial support, we encourage close collaboration between your team and Dr. S. Lohana, the institute team lead on the Drug Information (DI) database. Dr. Lohana will provide valuable insights and guidance to ensure the successful execution of the project.
