Notice

Date: 26th September 2022

Dear Students,

Subject: Seminar on Strategy for GPAT and NIPER

We are delighted to inform you about an upcoming seminar on "Strategy for GPAT and NIPER" scheduled to be held on 28th September 2022 at the Seminar Hall, Ideal Institute of Pharmacy.

Event Details: Date: 28th September 2022 Venue: Seminar Hall, Ideal Institute of Pharmacy

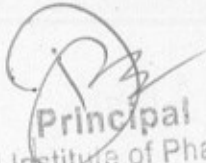

Key Highlights:

- Insights into Effective Preparation Strategies for GPAT and NIPER
- Tips and Techniques from Experienced Facilitators
- Q&A Session for Clarifications
- Guidance on Exam Pattern and Syllabus

This seminar is designed to provide valuable guidance and strategies for those aspiring to excel in GPAT (Graduate Pharmacy Aptitude Test) and NIPER (National Institute of Pharmaceutical Education and Research) examinations. It is an excellent opportunity to interact with experts in the field and gain insights into the best practices for exam preparation.

All pharmacy students are strongly encouraged to attend and make the most of this valuable learning opportunity.

Dear Students,

Sub: Seminar on Intellectual Property Rights

We are delighted to announce a Seminar on Intellectual Property Rights (IPR) at Ideal Institute of Pharmacy, Posheri Wada.

The details of the seminar are as follows:

Date: February 25, 2022 Time: 02:00 PM to 04:00 PM

Venue: Seminar Hall Ideal Institute of Pharmacy Posheri Wada

Intellectual Property Rights are crucial in the field of pharmacy, ensuring the protection of innovations and creations. This seminar aims to provide you with a comprehensive understanding of various aspects of intellectual property, including patents, trademarks, copyrights, and trade secrets.

Key Topics:

- Overview of Intellectual Property Rights
- Importance of IPR in the Pharmaceutical Industry
- Patenting Process and Requirements
- Trademarks and Brand Protection
- Copyrights in the Pharma Sector

Eminent experts in the field will be presenting valuable insights, and the seminar will include interactive sessions where you can pose questions and engage in discussions.

All students are strongly encouraged to attend this seminar, as it will not only broaden your knowledge but also provide valuable insights into the legal aspects of the pharmaceutical industry.

Please mark your calendars and make sure to attend the seminar on time.

We look forward to your active participation in this informative session.

Dear Students,

Sub: Seminar on Overview of Industrial Techniques

We are excited to announce a Seminar on the Overview of Industrial Techniques at Ideal Institute of Pharmacy, Posheri Wada.

The details of the seminar are as follows:

Date: December 1, 2021 Time: 02:00 PM to 04:00 PM

Venue: Seminar Hall Ideal Institute of Pharmacy Posheri Wada

This seminar aims to provide students with a comprehensive understanding of various industrial techniques employed in the pharmaceutical sector. Industry experts and professionals will share their insights on the following key areas:

- Introduction to Industrial Techniques in Pharma
- Pharmaceutical Manufacturing Processes
- Quality Control and Assurance in the Industry
- Regulatory Compliance and Good Manufacturing Practices (GMP)
- Emerging Trends and Innovations in Industrial Pharmacy

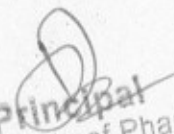

The seminar will be a valuable opportunity for students to gain insights into the practical aspects of the pharmaceutical industry and its operational techniques. It will also serve as a platform for interaction with professionals who are leaders in their fields.

All students are strongly encouraged to attend this seminar, as it will broaden your knowledge and provide a glimpse into the dynamic and evolving landscape of industrial techniques in pharmacy.

Please mark your calendars and make sure to attend the seminar on time.

We look forward to your active participation in this enlightening session.

Dear Students,

Sub: Seminar on Analytical Instruments

We are delighted to inform all students about an upcoming Seminar on Analytical Instruments at Ideal Institute of Pharmacy, Posheri Wada.

The details of the seminar are as follows:

Date: November 21, 2021

Time: 11:00 AM to 02:00 PM

Venue: Seminar Hall Ideal Institute of Pharmacy Posheri Wada

The seminar will focus on providing students with insights into the world of analytical instruments and their crucial role in pharmaceutical research and development. Expert speakers will cover various aspects, including:

- Introduction to Analytical Instruments
- Applications in Pharmaceutical Analysis
- Techniques such as Chromatography, Spectroscopy, and Mass Spectrometry
- Importance of Analytical Instruments in Drug Formulation
- Current Trends and Innovations in Analytical Techniques

This seminar is a unique opportunity for students to expand their knowledge and gain exposure to the latest advancements in analytical instrumentation within the pharmaceutical industry.

All students are encouraged to attend this seminar to enhance their understanding of analytical techniques and their significance in pharmaceutical sciences.

Please ensure your presence at the seminar on time.

We look forward to your active participation in this informative session.

We are pleased to announce a Seminar on Bioavailability and Bioequivalence at Ideal Institute of Pharmacy, Posheri Wada.

The details of the seminar are as follows:

Date: November 11, 2021

Time: 11:00 AM to 02:00 PM

Venue: Seminar Hall Ideal Institute of Pharmacy Posheri Wada

The seminar will focus on the critical concepts of bioavailability and bioequivalence, crucial aspects in the field of pharmaceutical research and development.

Renowned experts will cover the following key topics:

- Understanding Bioavailability and its Significance
- Importance of Bioequivalence Studies
- Regulatory Perspectives on Bioavailability and Bioequivalence
- Techniques and Methods for Assessing Bioavailability
- Applications in Drug Formulation and Development

This seminar provides an excellent opportunity for students to delve into these important topics, gaining valuable insights into their roles in ensuring the safety and efficacy of pharmaceutical products.

All students are encouraged to attend this seminar, as it will contribute significantly to your understanding of drug development processes.

Please mark your calendars and make sure to attend the seminar on time.

NOTICE

Date: 07/12/2021

Dear Students,

Sub: Seminar on Clinical Trials

We are excited to announce a Seminar on Clinical Trials at Ideal Institute of Pharmacy, Posheri Wada. The details of the seminar are as follows:

Date: December 8, 2021 Time: 11:00 AM to 02:00 PM

Venue: Seminar Hall Ideal Institute of Pharmacy Posheri Wada

The seminar will focus on providing students with a comprehensive understanding of clinical trials, a pivotal phase in the development of pharmaceuticals.

Eminent speakers will cover the following key topics:

- Overview of Clinical Trials: Phases and Processes
- Ethical Considerations in Conducting Clinical Trials
- Role of Regulatory Authorities in Clinical Trial Approval
- Challenges and Innovations in Clinical Trial Design
- Careers in Clinical Research

This seminar offers a unique opportunity for students to explore the intricacies of clinical trials, understand their significance in drug development, and gain insights into the ethical and regulatory aspects.

All students are strongly encouraged to attend this seminar, as it will enhance your knowledge and open doors to potential career paths in clinical research.

Please make a note of the date and time, and ensure your presence at the seminar on time.

Dear Students,

Sub: Seminar on Novel Drug Delivery Systems

We are delighted to announce a Seminar on Novel Drug Delivery Systems at Ideal Institute of Pharmacy, Posheri Wada.

The details of the seminar are as follows:

Date: October 5, 2021

Time: 11:00 AM to 02:00 PM

Venue: Seminar Hall Ideal Institute of Pharmacy Posheri Wada

The seminar aims to provide students with insights into the latest advancements in drug delivery systems, a critical aspect of pharmaceutical research and development.

Esteemed speakers will cover the following key topics:

- Introduction to Novel Drug Delivery Systems
- Types of Drug Delivery Systems: Nanotechnology, Liposomes, Microspheres, etc.
- Applications in Targeted Drug Delivery
- Challenges and Innovations in Drug Delivery Technology
- Future Trends in Drug Delivery Research

This seminar offers a unique opportunity for students to expand their knowledge and stay updated on the cutting-edge technologies shaping the future of pharmaceuticals.

All students are encouraged to attend this seminar, as it will contribute significantly to your understanding of drug delivery systems and their impact on the efficacy and safety of pharmaceutical products.

Please mark your calendars and make sure to attend the seminar on time.
