Objectives of 15 days Tree Plantation Event:

- At its core, Van Mahotsav is a solemn pledge to nurture and safeguard our natural heritage. Its primary objectives include: Increasing Green Cover: Van Mahotsav strives to expand India's green cover by encouraging widespread tree plantation drives and promoting afforestation initiatives.
- These 15 days tree plantation festival aims to support accelerated progress on global commitments, which include protecting 30 per cent of land and sea for nature and restoring 30 percent of the planet's degraded ecosystems.
- **Protecting our environment with our most precious medicinal trees.**
- To bridge the gap between students & faculties.
- To motivate the students.
- To prepare the students about their commitment to environment
- To involve and learn about the development and protection of our environment.
- To create awareness among about the various co-curricular and extra activities helps the student for their overall development.
- To create awareness among students about the importance of environment.

Report:

The Tree plantation festival

was celebrated in **Ideal Institute of Pharmacy** on **7th June 2024**.

The celebrations commenced with the medical tree plantation event in Ideal Herbal Garden by a group of dignitaries and students.

Participating as chief guest, who is the Chairman of Ideal foundation **Mr Abhishek Jain**, said that without taking care of our environment human beings cannot survive peacefully in the earth. Environment is important for our breathing, our health, peaceful life, day to day activities.

Our college **Principal Dr. Sonali Uppalwar**, addressed the Importance of environment, explained about how Indians are grateful to our country having a great diversity and the importance medicinal plants how the plants giving good benefits to humans without any side effects, treating having a huge natural environment such as forest, mountains, rivers and their

importance in our life. She said Tree plantation festival is a special day designed to think about the mistry and gratefulness of our country had huge medicinal plants for all disease.

Faculty of college took the medicinal plantation activity of students on which inspired and energized the students.

HOD of B. Pharm, Mr. Lokesh Vyas spoke on the occasion.

In the end **Ms. Harshada Dhak** presented vote of thanks.
