

# A Report on World Environment day celebration at Ideal Institute of Pharmacy

**Name of college- Ideal Institute of pharmacy**

**Name of contact person-Dr. Sonali Vinod Uppalwar**

**Mobile no. 7976244046**

**Title of Event: World Environment Day drive in IIP - Organized under the aegis IQAC and forest department of Wada**

**Date of Event: 5<sup>th</sup> June 2025**

**Time of Event: 11:00 AM to 1:30 PM**

**Venue-:** Ideal Campus, Ideal Institute of pharmacy, Wada, Palghar.

**Participants:** Forest department of wada, All faculties and Students

**Name of Faculties':**

Dr. Sonali Uppalwar

Mr. Lokesh Vyas

DR. Abhishek Kumar Sen

Dr. Priyanka. D

Ms. Shanti Patil

Ms.Mrunali Patil

Mr. Jay Sutar

Ms. Dipti Patil

Dr. Rajan Kothari

Dr. Ashok Arya

Ms. Harshali Thakare

Ms. Harshada Dhak

Mr. Shivprasad Dhage

Ms. Monika Tambe

## **Introduction**

World Environment Day is celebrated every year on June 5<sup>th</sup> to raise awareness and encourage action for the protection of our environment. Established by the United Nations in 1972, it has become a global platform for public outreach and participation, celebrated by millions across more than 100 countries. The theme for 2025, "*Our Land. Our Future. We are #GenerationRestoration,*" focuses on land restoration, desertification, and drought resilience.

## **Event Objective:**

- Raise Awareness: Educate people about the harmful effects of plastic on ecosystems, wildlife, and human health.
- Promote environmental protection, increasing the green cover, encouraging participation, promoting sustainable practices and raise awareness of the value of trees and forests in preventing climate change.

## **Tree Plantation Drive**

A tree-planting activity was organized in the school campus/community park. Students, teachers, and volunteers participated enthusiastically, planting over [Number] saplings of native species.

### Clean-Up Campaign

Participants conducted a cleanliness drive in nearby public spaces, collecting and properly disposing of plastic waste. Awareness was also spread about waste segregation and recycling.

World Environment Day 2025 marked a pivotal moment in the battle against plastic pollution—combining global treaty momentum, national commitments, grassroots action, and youth mobilization. As we move forward, success hinges on turning awareness into regulations, financing, and daily habits that redefine how we use, reuse, and refuse plastic.
